

ANASTASIA LAKES HOMEOWNERS ASSOCIATION

Community Newsletter

April 2021

Dear Anastasia Lakes Owners,

Recently, the Board of Directors has opted to change management companies to Alsop Property Management. As such, Alsop Property Management will now be handling all aspects of your tenancy, such as assessment collection, maintenance, leasing, and other details, should you have any questions, please contact our new Community Association Manager Suzana Soares Balula, at the office at (904) 647-2619 or via email at ss@alsopcompanies.com. The current Board is working to put in place a process to streamline the governing of all Association documents and we will work closely with them to enforce. Currently all Association documents are posted on the website where you are able to access all community related info, password is ALHOA. The payment portal is also up and running and accessible.

Though Board members are always available for any questions, all association related comments, concerns and questions should be directed toward to management and will be filtered down to the appropriate personnel.

Anastasia Board of Directors

Andy Williams	President
Jake Jackowski	Vice President
Perri Griffin	Treasurer

It is so important to stay connected with your community and one way of doing so is to make sure the management company has your contact information and your email release. Providing this information will help keep you informed and receive all community based information that at times may be time sensitive.

Please see attached Contact Information/Email Release form. Please complete and return to Suzana Balula via email to ss@alsopcompanies.com.

Other news:

Our Oaks are still dropping their leaves, when cleaning them up, please attempt to keep leaves away from the storm drains if possible.

Our causeway on the north side of our community is a nice green space to enjoy and soak in the marsh views. The NW fence pedestrian gate is opened using the bathroom pool key and vehicle gate code is 904 if needed.
