

I want to express to the Community that our season for pool volunteers will be coming to an end on December 1st.

**I want to THANK –
Mona Donofrio
Myra Buchan
Cathy Howell
John Miller
Jenny Williams
Susie Hackman**

Thank you all for keeping the pool looking sharp and sparkling clean the whole year, we look forward to having fun next spring!

The pool will remain open until the first of December. Then the heater will be shut down until spring.

Please remember after October 30th, all community personnel using the facility should be aware and clean up before you leave. This means chairs put back, umbrellas down, bathrooms and facility left clean.

Thank you ALL!!
